Experience

Zachry Construction - Beijing, China August 2006 – August 2007

Intern, Construction of US Embassy Complex in Beijing, China

- Communicated daily with co-workers that speak English as second language in performing form carpentry, rebar work, metal framing, and drywall while keeping in line with project goals.
- Analyzed and implemented new challenging construction techniques to successfully construct a complicated and innovative type of building while remaining within schedule.
- Led co-workers in working under strict deadlines and long hours in foreign country and received two promotions within 6 months.
- Possess “Top Secret” Security Clearance for Beijing Embassy Project: issued and held by US Department of State, Diplomatic Security Service.

Davaco Inc - Dallas, TX June 2008 – July 2008

Summer Intern

- Negotiated purchase order contracts and change orders by communicating between project manager, sub-contractor and owner’s representative to expedite process and save time.
- Analyzed current construction contracts and market projections with Senior Project Manager to re-establish appropriate goals for future.
- Organized several construction project schedules with Microsoft Project and Oracle software for Estimators and Project Manager on short notice to meet deadlines.
- Coordinated shipping of materials to 10 different retail locations nationwide to save on shipping fees and make up for delays in schedule.

Camp Ozark - Mt. Ida, AR July 2005

Camp Counselor

- Managed cabin of 12 boys along with 2 co-counselors by keeping up with daily schedules and leading devotional time to ensure quality camp experience and have positive impact on campers.
- Utilized leadership and communication skills in establishing quality relationships with campers and co-counselors.

Class Projects

Residential Development: Senior Project Fall 2008

- Prepared 20 minute presentation with team of 3 consisting of business plan and pro forma analysis for 150 unit residential development in San Antonio, TX.
- Analyzed San Antonio market and residential product to organize management and construction plan that effectively allows for profitable undertaking.
